Dear Servant Leaders:

It is that time again...budgeting! It is time to start the process of planning for Wesley United Methodist Church Ladson ministries for the 2023 ministry year. Please complete the two-page budget request worksheet and return to the Finance Chair by **Sunday, August 28, 2022**.

Important considerations when developing your budget request:

1. The church budget is the annual mission and ministry plan for Wesley; it is more than just a set of numbers relating to the expenses of particular ministries.
2. Budget requests should specifically meet your ministry goals. We hope you prepare your requests prayerfully and thoughtfully to best carry out your particular ministry's mission.
3. Use your current budget as a guide; however, all expenses should be justified.
4. Please think ahead. Throughout the year you should begin compiling a list of expenditures in which your ministry will require for the next ministry year. Provide timing of expenditures if not spread out evenly throughout the year.

The Finance Committee will consider this input in comprising the 2023 ministry year budget for Wesley Ladson.

Your prayerful and timely completion of these items is greatly appreciated. We need everyone's input to ensure that the budget is complete and accurate. A copy of the worksheet has been emailed to each chairperson. If you would like to meet with me to discuss your budget, contact me at rwdaconsulting@gmail.com or 843.303.7603.

In Christ and for the continuance of His kingdom,

Sarah Bozier
